Hammoood Ur Rehman

Lead Product Designer | Helping Businesses Build AI Automation & SaaS Products with Better UX

Pakistan

Summary

I'm a UI/UX Designer and Graphic Designer with 5+ years of experience creating engaging digital experiences, intuitive interfaces, and impactful branding. Skilled in Figma, Adobe Creative Suite, and WordPress, I specialize in web and mobile app design, SaaS dashboards, and creative marketing assets that blend functionality with aesthetics.

I've worked with startups, agencies, and global clients to deliver designs that not only look great but also solve real problems. From wireframes and prototypes to pixel-perfect UI and brand identity, my focus is always on creating user-centered solutions that drive growth.

I'm passionate about designing products that inspire trust, improve usability, and enhance business success. Currently open to remote UI/UX, product design, and creative design opportunities.

Experience

Techesthete

Lead UX/UI Designer (Product Designer)

December 2025 - Present (7 months)

Lahore

- Led end to end design of AI powered SaaS products focused on TikTok and Amazon advertising platforms
- Designed product experiences for campaign setup, audience targeting, creative management, budget controls, and performance analytics dashboards
- Translated complex advertising and marketplace data into intuitive, action driven user interfaces
- Owned product discovery, user flows, wireframes, high fidelity UI, and developer handoff

- Built and maintained scalable design systems ensuring consistency, accessibility, and cross platform usability
- Collaborated closely with product managers, engineers, and data teams to align UX decisions with business and growth goals
- Applied AI assisted design workflows to validate ideas, optimize usability, and reduce iteration cycles
- Led and mentored designers, setting quality standards and improving team design processes

Freelance

Lead UX/UI Designer || Product Designer || Graphic Designer
February 2024 - Present (2 years 5 months)

United Kingdom
